

**EPA's Meetings on Team Completions Re-Scheduled;
New Date and Location
Kingsley, Michigan**

The date and location have changed for U.S. Environmental Protection Agency's two public meetings regarding a request from Team Completions LLC for a change in its existing permit to dispose of non-hazardous liquid waste deep underground. Times are the same as originally announced:

Wednesday, April 21
Public Meeting – 6 to 7 p.m.
Public Hearing – 7 to 8:30 p.m.

Both meetings will now be at St. Mary's of Hannah Catholic School, 2912 W. M-113, Kingsley.

The first meeting is an informal open house where you will be able to talk with EPA officials and ask questions. This will be followed by a formal public hearing, during which you can make oral comments or submit a written statement for the record. EPA encourages comments from the public on its proposal to approve the request. The comment period closes **May 5**. Submit comments in writing to:

Rebecca Harvey
Water Division (WU-16J)
EPA Region 5
77 W. Jackson Blvd.
Chicago, IL 60604-3590
harvey.rebecca@epa.gov

You may view a copy of the permit at the Traverse Area District Library, 610 Woodmere, Traverse City, or at the Region 5 office in Chicago. Please make an appointment to visit Region 5 by contacting:

William Bates
Permit Writer
312-886-6110
bates.wiliam@epa.gov

Or visit: www.epa.gov/region5/water/uic/uicpub.htm.

You may call Region 5 toll-free, 800-621-8431, weekdays, 9:30 a.m. to 5:30 p.m.
